Special Committee on Athletic – Budget Report
Kelvin Lawson, Chair

Vice President/Athletic Director Kortne Gosha provided an update on budget projections for the Athletic Department due to the Mid-Eastern Athletics Conference (MEAC) cancelling all fall sports. VP Gosha shared that the affected sports are football, track and field and volleyball. He also stated that the National Collegiate Athletics Association (NCAA) cancelled all fall championships.

VP Gosha stated that the preliminary budget presented in May 2020 reflected a $9.5M operating budget. The Department of Athletics has since requested a $6.5M budget, which is reflective of a reduction in revenue attributed to the lack of fall football and a 10% reduction in student fees. The $6.5M is also based on a combination of reduced expenditures and 7% salary reductions of department employees earning more than $35,700. He shared that
departmental positions have been consolidated and additional responsibilities shared. VP Gosha indicated that he will continue to fund raise and seek additional opportunities to generate revenue.

Chair Lawson stated that the University continues to have its internal monthly reviews with the financial team and audit, as well as monthly meetings with the Board of Governors audit committee. Chair Lawson clarified that student football scholarship are being honored and are within the new budget.
