The Committee also heard from Provost Wright, who provided an update on the Academic Program Action Plans. In addition, he provided an update on enrollment. As of September 5, the University’s enrollment was 9,811. Dr. Paul Shirk provided an update regarding the proposed USDA Entomology Building; Dr. William Hudson, Jr., provided an update on the 2+2 program and on recruitment efforts for 2017-2018; Bryan Smith provided an update on the hazing prevention initiatives; and Dr. Anika Fields provided an update on mental health initiatives.

Provost Wright and Dr. Edington provided an update on program improvement strategies. They shared an example of the types of reviews that will take place with each of the colleges and schools. Dr. Edington stated that the focus of this effort is to make sure that 1) the colleges and schools have identified the key priorities that they need to focus on that align with the president’s goals, the strategic plan goals, and high level institutional priorities 2) in terms of evaluating, score cards
and dashboards will be developed for the programs to increase accountability with respect to leadership in these areas. He reported that he has met with all of the deans and gave instructions and guidance on how to develop program improvement plans and action plans. These plans will address four key areas:
  o admissions policies
  o curriculum development
  o academic support
  o faculty development
Dr. Edington said that these areas are the cornerstones of successful programs. Key performance indicators have also been identified to help pinpoint areas that need increased monitoring.

**Athletics**  
*Kelvin Lawson, Chair*

Chair Lawson shared that the Athletic Committee was not able to meet due to the hurricane. He noted that the Committee will continue to work with AD Overton and staff to resolve the athletic deficit. He shared that this past year, Athletics finished with a small surplus.

Governance
Trustee Harold Mills

Trustee Harold Mill, the new chair of the Governance Committee reported that the Committee did not meet on September 8, 2017 because of Hurricane Irma. He stated that he plans to call a meeting of the Governance Committee within the next couple of weeks to discuss the presidential evaluation process and the next steps regarding the board performance survey. Both of these matters were included as discussion items on our committee’s agenda. He also stated that he plans to recommend the following to the Committee, for its consideration:
1. That they utilize the evaluation tool that the Board previously used; and
2. That they follow the established evaluation process, which would include the adoption of a timeline.

Trustee Mills said that he plans to submit a status report to the Board regarding the Committee’s plans for each of these items and indicate the next steps.

Trustee Mills then recognized Mrs. Carrie Gavin, Director of Equal Opportunity Programs for update on the Equity Report, which was on the consent agenda.

**Law**

*Trustee Belvin Perry, Chair*

Trustee Perry reported that the Special Committee on the College of Law did not meet, due to the residual effects of Hurricane Irma. He stated that he plans to call a meeting of the Committee within the next couple of weeks to select a new date for the site visit and to review documentation that was requested from the College of Law. He also plans to disseminate the information to the committee, for their review and discussion. The Board liaison will notify the Board of the new meeting date.

**Presidential Leadership**

*Trustee Thomas Dortch*

Committee chair Trustee Thomas Dortch shared that the Presidential Leadership committee met on Thursday, September 7, 2017. The Committee recommended approval of the contract extension for interim President Larry Robinson. The extension was necessary because his then current contract expired at midnight on September 14, 2017. He noted that during a special meeting of the Board on September 12, 2017, the Board unanimously approved an extension of Dr. Robinson’s contract. The new term is from September 15, 2017 through September 14, 2018.

Trustee Dortch reported that the Committee then considered the final presidential profile report from their consultant, RHR International. The committee voted to recommend that the Board adopt the Final Presidential Profile Report compiled by RHR International.

He indicated that the next steps will include staying in contact with the consultants and following the dictates of the Board regarding selecting a permanent president of Florida A&M University.

**Strategic Planning and Performance Measures**

*Trustee Nicole Washington*

Trustee Washington reported that the Strategic Planning and Performance Measures Committee did not meet, due to the hurricane. She recognized Vice President Maurice Edington for a
committee update. He provided an update on the strategic plan initiative budget and shared the scorecard, which will monitor the University’s progress on the initiatives. The software that will be used will allow real-time feedback on the progress.

Dr. Edington highlighted Strategic Priority 2: Excellent and renowned faculty. The faculty development aspect of the plan was allocated $390,000 for year one. That initiative is expected to impact several key metrics, including: graduation rates, retention rates, licensure pass rates, research expenditures and enrollment in online courses.
