## We Are Making Changes for the Better

Dear Rattler,

Welcome to your home away from home! We are delighted that you have chosen FAMU and to stay in University Housing. Our staff and campus partners have been working diligently to prepare your room for your arrival.

To enhance our residential facilities and provide you with an exceptional student experience,

Customer service is a priority, and we will work diligently to make any necessary enhancements in a timely manner. Our staff will work with you throughout the year to ensure the best housing experience possible and will continue to monitor living spaces throughout the move-in process.

Sincerely,

*Jennifer A. Wilder*
