Mobility Van Policy and Procedures

Students with permanent or temporary physical impairment must complete a Mobility Form with a copy of their documentation & schedule.

The van services are only for on-campus transportation. Transportation services are available Monday to Friday from 8:00 a.m. to 5:00 p.m.

This service supports the university transportation system. If transportation from CeDAR is unavailable, students should use the Venom shuttle. We encourage all riders to be considerate and respectful of everyone's time.

Every effort is made to ensure riders are picked up as close to the designated time as possible. However, delays do occur. To avoid delays, everyone must follow these rules.

Operating Procedures

- Submit class schedule to: CcDAR@famu.cdu.
- ☑ Call 15- 30 min before class time @ 850-599-3180.
- ☐ Calling the office indicates you are ready at that moment.
- ☐ The van will only wait 2-3 minutes for students.
- ☑ Riders must wait by the outside pick-up location or bus stop.
- ☑ He/ She is expected to be at the designated pick-up point.
